

## Scottish Friendly TeamGym Competition held on Saturday 4th October 2008

This year saw a change in venue for the Friendly competition – the event being hosted at Grangemouth Sports Complex.

The Primary teams competed first and were loudly appreciated by the audience throughout the round. All teams competed at Regional level with Gateshead topping the two Asymmetrix teams.

After the break, the Junior teams entered the arena. At Regional level, Alloa gave steady performances across the three pieces to match their first place in the Open competition in February and earn themselves another gold medal position. The National level competition saw Diamonds pip South Durham to take top spot by a mere 0.05.

The Senior teams comprised of a men's group and a mixed group, competing in a micro competition which meant that there was no floor routine but some stunning tumbling and trampette work that rounded off an exciting day's competition.

A huge vote of thanks must go to the Sports Centre staff for their assistance with the setting up of the competition arena and also to Dougie, Jamie & Adam for moving all the equipment required for the event to and from the venue.
